

The beautiful Deer Valley Bed & Breakfast home was custom designed by JAnne Claridge, an award-winning designer from Linwood Custom Homes in Calgary, Alberta. The home was selected from hundreds of plans to be included in Linwoods special 40<sup>th</sup> Anniversary Plan Book because of its unique design features that include a fully handicap accessible layout. Also, the use of logs for posts and beams gives this stunning country home an extra dose of mountain lodge look.

Linwood Homes offers complete custom design included with a full exterior shell lock-up materials package. Contact JAnne Claridge at [jclaridge@linwoodhomes.com](mailto:jclaridge@linwoodhomes.com)
